

Totes of Hope® Partner Renewal Request

**PLEASE RETURN THIS FORM BY JUNE 1<sup>ST</sup>**

If your program participated in Totes of Hope in the 2019-2020 school year, please use this form to request your renewal in the program. **Plan to start your Totes distribution back up the first week of school so kids and families can start the new school year off right!**

These renewals will be reviewed and approved on a “first come, first served” basis. As you know, we have a limited number of Totes and we prefer to work with partners who will distribute weekly beginning at the start of the school year.
