

# TRANSPORTATION TEMPERATURE LOG

Instructions: Please maintain this log for each time you transport fresh or frozen food to/from WFBR or your designated pick-up location. Record the time of pick-up, temperature at pick-up, and temperature when unloaded at your location. Maintain this log for a minimum of three years. Refrigerated/fresh food should be between 32°-40°F. Frozen food should be 0° or below 0°

Month/Year: \_\_\_\_\_
