

**AmeriCorps**

## Story

I have lived in Wyoming 21 years and love exploring every beautiful place. I look forward to serving as a Food Security Ambassador. It goes well with my current roll as volunteer chairman of the Community Cupboard here in Ranchester that uses the Wyoming Food Bank of the Rockies. My previous experience with AmeriCorps was a fulfilling year as a VISTA for the Sheridan Senior Center. I have a BS in Engineering from Ohio State and worked for Oscar Mayer. I have been a stay home mom for 25 years and love volunteering in my community and on mission trips. I have been: a school board member, Girl Scout Leader, Gas Board Member, Planning Commission Member, CASA, MOPS volunteer, Firefighter, EMT, and PTA officer. Our three children are: Kendal married to Anna in California, Amy a trapeze artist in Wyoming, and Laura a student in Bozeman. My husband and I started taking care of foster children three years ago.
