The food distribution program at this location is FREE to people in need of food assistance. Product variety and quantity is based on donations made to FBW. Some Food Bank of Wyoming product is close dated or slightly outdated. Items received today have been reviewed and are still safe to eat or drink for several weeks up to 1 year after the "use by" or "best by" date. It is your responsibility to inspect any product prior to consumption and discard if it appears or smells spoiled.
